

## **At a Glance: 2015 Nissan 370Z Coupe**

The 2015 Nissan 370Z continues to offer extraordinary performance design and an unmatched heritage as one of the most iconic sports cars in automotive history. Two new trim levels are offered for 2015 – Sport and Sport Tech, which incorporate content from previously available option packages. Other enhancements include standard Bluetooth® Hands-free Phone System on all models and revised steering and suspension tuning. New black-finished 18-inch wheels are offered on 370Z and 370Z Touring models and the Nissan Navigation System is now standard on 370Z Touring.

As in previous years, the Nissan 370Z Coupe remains one of the most vibrant and dynamic sports cars available in North America. All 370Z Coupe models are once again available with a standard 332-horsepower 3.7-liter DOHC V6 engine with Variable Valve Event and Lift Control (VVEL) and choice of 6-speed manual transmission with an available SynchroRev Match® synchronized downshift rev matching system or a 7-speed automatic transmission with paddle shifters.

The iconic 370Z exterior, with its LED running lights and boomerang-style taillights, is matched with an innovative driver-centric three-layer design that groups items by how a driver sees information, operates the controls and is held in place – so drivers feel completely connected and engaged whenever and wherever they drive.

Available technology features include RearView Monitor, Nissan Hard Drive Navigation System with 7-inch VGA touch-sensitive display, USB connectivity and iPod® connection, NavTraffic with Real-Time Traffic Information and NavWeather (SiriusXM subscription required, sold separately), Bluetooth® Streaming Audio and Nissan Intelligent Key®.

In addition, to the standard 370Z Coupe, significant changes have been made to the top-of-the-line 370Z NISMO, including a new exterior appearance and the first-ever available automatic transmission (see NissanNews.com for details).

The 2015 370Z Coupe is offered in four models: 370Z, Touring, Sport and Sport Tech.

Highlights of the 2015 Nissan 370Z Coupe include:

### **Body:**

- High rigidity body with a dynamic presence and enhanced aerodynamics
- Aggressive front fascia with vertical LED daytime running lights
- Red reflector for rear fascia
- Authentic Z® sports car design and proportions with long hood and canopy cockpit
- Short wheelbase (100.4 inches) and length (167.5 inches), aggressive stance
- Lightweight aluminum hood, doors and hatchback
- High Intensity Discharge (HID) bi-functional xenon headlights and LED brake lights with distinctive “boomerang” design
- Signature vertical door handles, dual power and heated remote control outside mirrors
- Electric rear window defroster
- Front fender-mounted Z® side markers (Touring, Sport, Sport Tech)

- Available front chin spoiler and rear spoiler (Sport, Sport Tech)
- Heated side rearview mirrors (Touring, Sport, Sport Tech)

### **Engine and Driveline**

- Front engine/rear-wheel drive
- Fourth-generation VQ series 3.7-liter engine, 24-valve DOHC V6 (VQ37VHR), rated at 332 horsepower @ 7,000 RPM, 270 lb-ft of torque @ 5,200 RPM
- Variable Valve Event and Lift (VVEL) system
- Micro-finished crankshaft and camshaft; small pitch, silent cam chain; drive-by-wire throttle
- Oil cooler
- Standard 6-speed close-ratio manual transmission
- Available SynchroRev Match<sup>®</sup>, the world's first synchronized Downshift Rev Matching manual transmission allowing heel-toe-like downshifting (Sport, Sport Tech manual transmission models)
- Available electronically controlled 7-speed automatic transmission with manual shift mode, Adaptive Shift Control (ASC), Downshift Rev Matching (DRM)
- Available paddle shifters (Sport, Sport Tech 7AT models)
- Dual outlet exhaust
- Carbon Fiber composite driveshaft

### **Suspension, Steering and Braking**

- Double-wishbone front suspension, rear multi-link suspension; 3-point front strut tower brace; high response shock absorbers
- Large diameter front and rear hollow stabilizer bars
- Improved steering feel, enhanced noise isolation measures for 2015
- Vehicle speed-sensitive power rack-and-pinion steering
- Available Viscous Limited-Slip Differential (VLSD) (Sport, Sport Tech)
- Power-assisted vented front and rear disc brakes, 4-wheel Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD) and Brake Assist
- Available Nissan Sport Brakes with 14.0-inch front/13.8-inch rear rotors and 4-piston front/2-piston rear aluminum calipers, red caliper finish (Sport, Sport Tech)
- 18-inch aluminum-alloy wheels and 225/50R18 front / 245/45R18 rear Yokohama ADVAN Sport tires
- Available 19-inch RAYS lightweight 5-spoke forged-alloy wheels with 245/40R19 front / 275/35R19 rear Bridgestone Potenza RE050A tires (Sport, Sport Tech)

### **Interior Features**

- High quality interior with innovative, driver-centric "three-layer" design with information, operation and holding layers
- 2-passenger seating, with unique driver and passenger seat designs and functions
- Driver's seat shaped to help hold the body firmly in place without interfering with shifting
- 8-way manual driver's seat, 4-way manual passenger's seat with manual seatback fold-down function; available 4-way power adjustable heated seats (Touring)
- Black woven "carbon" seat cloth
- Available synthetic suede and leather-appointed seating (Touring)
- 3-bay gauge pods – similar to the original 240Z design
- Tilt steering column with integrated instrument cluster
- Adjustable front head restraints
- Automatic temperature control

- Leather-wrapped 3-spoke steering wheel with Z<sup>®</sup> emblem
- Available Bose<sup>®</sup> audio system with 6-disc CD changer and 8 speakers (standard on Touring, Sport Tech models)
- Available SiriusXM Satellite Radio (standard on Touring and Sport Tech models, SiriusXM subscription required, sold separately)
- Standard Bluetooth<sup>®</sup> Hands-free Phone System
- Available Nissan Hard Drive Navigation System with 7-inch VGA touch-sensitive display, USB connectivity and iPod<sup>®</sup> connection, NavTraffic with Real-Time Traffic Information and NavWeather (SiriusXM subscription required, sold separately) (Touring, Sport Tech models)
- RearView Monitor (Touring, Sport Tech models)
- Bluetooth<sup>®</sup> Streaming Audio (Touring, Sport Tech models)
- Power windows with auto one-touch up and down feature
- Power door locks with auto locking feature
- Available aluminum-trimmed pedals (Touring model)
- Available HomeLink<sup>®</sup> Universal Transceiver (Touring, Sport Tech models)
- Two 12-volt power outlets, three cupholders (two in door panels, one in center console)
- Available rear cargo area cover (Touring model)
- Cruise control
- Nissan Intelligent Key<sup>®</sup> with Push Button Ignition
- Available auto-dimming rearview mirror (Touring, Sport Tech models)

### **Safety and Security**

- Nissan Advanced Air Bag System (AABS) with dual-stage supplemental front air bags with seat belt sensors and occupant classification sensor
- Seat-mounted side impact supplemental air bags
- Roof-mounted curtain side-impact supplemental air bags
- 3-point front seat belts with pretensioners and load limiters
- 3-point ALR/ELR seatbelts (driver's seatbelt ELR only)
- Front and rear crumple zones
- Active Head Restraints
- Zone Body Construction
- Energy-absorbing steering column
- Vehicle Security System (VSS)
- Nissan Vehicle Immobilizer System
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS)

### **Models**

- Offered in four models: 370Z, Touring, Sport and Sport Tech
- Also available in 370Z NISMO – see NissanNews.com for full details
