

## **At a Glance: 2015 Nissan 370Z Roadster**

The 2015 Nissan 370Z Roadster continues to offer unique design, performance and value of the 370Z Coupe – with the added exhilarating sensory experience of an advanced fully automatic convertible design. For 2015, a new 370Z Touring Sport Roadster trim level is added, offering standard Viscous Limited-Slip Differential, SynchroRev Match® (manual transmission only), 19-inch RAYS super lightweight forged aluminum-alloy wheels and Nissan Sport Brakes.

Two other models are also available, the 370Z Roadster and the 370Z Touring Roadster – which includes a range of features such as Nissan Navigation System with 7.0-inch touch-sensitive display, Bose® Audio System, cooling and heated ventilated leather-appointed seats and RearView Monitor.

Other enhancements for 2015 include the addition of Bluetooth® Hands-free Phone System and USB input on the base 370Z Roadster and revised steering feel and suspension tuning on all models. New black-finished 18-inch wheels are offered on 370Z Roadster and 370Z Touring Roadster models.

As in previous years, the 2015 Nissan 370Z Roadster offers an unmatched balance of dynamic performance, sculptured styling, innovative technology and exceptional value – matched with the exhilaration of pure open-air motoring.

Based on the 370Z Coupe, the Z® Roadster shares its engine, transmissions, suspension, platform and most major components with the popular hardtop model, including a standard 332-horsepower 3.7-liter DOHC V6 engine with Variable Valve Event and Lift Control (VVEL) and refined 4-wheel independent suspension.

What sets the 370Z Roadster apart from the 370Z Coupe is its roof, which is designed to provide a sleek silhouette matching the Z® Coupe's stunning styling with the top up or down – while offering an easy, single-action open-close operation. The top provides an enjoyable top-down experience with reduced wind turbulence and all-climate driver/passenger comfort. The Z® Roadster's interior is completely driver-centric, with its three-layer design grouping items by how a driver sees information, operates the controls and is held in place so drivers feel completely connected and engaged.

Highlights of the 2015 Nissan 370Z Roadster include:

### **Body:**

- Aerodynamic front fascia design with integrated LED daytime running lights
- Authentic Z- sports car design and proportions with long hood and canopy cockpit
- High rigidity body design for enhanced handling, NVH (noise/vibration/harshness) and ride comfort
- Short wheelbase (100.4 inches) and length (167.2 inches), aggressive stance
- Cloth power-folding roof with fabric inner liner
- Single action top operation with automatic roof lock, steel tonneau cover

- Glass rear window with electric rear window defroster
- Fixed glass wind deflector
- Top operation available via Nissan Intelligent Key® (button on door) or center console-mounted switch
- Top available in Black or Bordeaux (with Wine interior only) fabric color
- Additional body reinforcements (versus 370Z Coupe), including A-pillars and side sills
- Lightweight aluminum hood, doors and trunk lid
- High Intensity Discharge (HID) bi-functional xenon headlights and integrated LED daytime running lights
- LED brake lights with distinctive “boomerang” design
- Signature vertical door handles, dual remote control mirrors
- Front fender-mounted Z® emblems/sidemarkers
- 0.33 coefficient of drag (0.34 Touring Sport)
- Eight available exterior colors: Gun Metallic, Solid Red, Magnetic Black, Brilliant Silver, Pearl White, Black Cherry, Midnight Blue and Magma Red

### **Engine and Driveline**

- Front engine/rear-wheel drive
- Fourth-generation VQ series 3.7-liter engine, 24-valve DOHC V6 (VQ37VHR), rated at 332 horsepower @ 7,000 RPM, 270 lb-ft of torque @ 5,200 RPM
- Variable Valve Event and Lift (VVEL) system
- Micro-finished crankshaft and camshaft; small pitch, silent cam chain; drive-by-wire throttle
- Oil cooler
- Available electronically controlled 7-speed automatic transmission with manual shift mode, Adaptive Shift Control (ASC), Downshift Rev Matching (DRM) and standard paddle shifters; or 6-speed close-ratio manual transmission with available SynchroRev Match®, the world’s first synchronized downshift rev matching manual transmission allowing heel-toe-like downshifting
- Dual outlet exhaust
- Carbon Fiber composite driveshaft

### **Suspension, Steering and Braking**

- 4-wheel independent multi-link suspension with use of lightweight aluminum components
- Double-wishbone front suspension, rear multi-link suspension; 3-point front strut tower brace; high response shock absorbers
- Large diameter front and rear hollow stabilizer bars
- Improved steering feel, enhanced noise isolation measures for 2015
- Vehicle speed-sensitive power rack-and-pinion steering
- Available Viscous Limited-Slip Differential (VLSD)(Touring Sport model)
- Power-assisted vented front and rear disc brakes, 4-wheel Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD) and Brake Assist (BA)
- Available Nissan Sport Brakes with 14.0-inch front/13.8-inch rear rotors and 4-piston front/2-piston rear aluminum calipers, red finish calipers (Touring Sport model)
- 18-inch aluminum-alloy wheels and 225/50R18 front / 245/45R18 rear Bridgestone Potenza RE050A tires
- Available 19-inch RAYS lightweight 5-spoke forged-alloy wheels with 245/40R19 front / 275/35R19 rear Bridgestone Potenza RE050A tires (Touring Sport model)

### **Interior Features**

- High quality interior with innovative, driver-centric “three-layer” design with information, operation and holding layers

- 2-passenger seating, with unique driver and passenger seat designs and functions
- Driver's seat shaped to help hold the body firmly in place without interfering with shifting
- Black woven "Carbon" cloth seats; 8-way manual driver's seat, 4-way manual passenger's seat
- Available exclusive, second generation high-back leather-appointed ventilated seats with HVAC heating and cooling, 4-way power/4-way manual operation driver's seat/4-way power passenger's seat (Touring Roadster, Touring Sport Roadster)
- Available synthetic suede and leather-appointed door panel inserts (Touring Roadster, Touring Sport Roadster)
- 3-bay gauge pods – similar to the original 240Z design
- Tilt steering column with integrated instrument cluster
- Adjustable front head restraints
- Automatic temperature control
- Leather-wrapped 3-spoke steering wheel with Z<sup>®</sup> emblem
- Available Bose<sup>®</sup> audio system with 6-disc CD changer and 8 speakers (Touring Roadster, Touring Sport Roadster)
- Available SiriusXM Satellite Radio (SiriusXM subscription required, sold separately) (Touring Roadster, Touring Sport Roadster)
- Standard Bluetooth<sup>®</sup> Hands-free Phone System
- Available Nissan Navigation System with NavTraffic Real-Time Traffic Information and NavWeather (SiriusXM subscription required, sold separately), Bluetooth<sup>®</sup> Streaming Audio and a USB port for iPod<sup>®</sup> and other music player connectivity (Touring Roadster, Touring Sport Roadster)
- Available RearView monitor (Touring Roadster, Touring Sport Roadster)
- Power windows with auto one-touch up and down feature
- Power door locks with auto locking feature
- Available aluminum-trimmed pedals (Touring Roadster, Touring Sport Roadster)
- Available HomeLink<sup>®</sup> Universal Transceiver (Touring Roadster, Touring Sport Roadster)
- Two 12-volt power outlets, three cupholders (two in door panels, one in center console)
- Cruise control
- Nissan Intelligent Key<sup>®</sup> with Push Button Ignition
- Three cupholders

### **Safety and Security**

- Nissan Advanced Air Bag System (AABS) with dual-stage supplemental front air bags with seat belt sensors and occupant classification sensor
- Front seat-mounted side impact supplemental air bags
- Door-mounted curtain side-impact supplemental air bags
- 3-point front seat belts with pretensioners and load limiters
- 3-point ALR/ELR seatbelts (driver's seatbelt ELR only)
- Front seat Active Head Restraints
- Zone Body Construction
- Energy-absorbing steering column
- Aluminum side-door guard beams
- Vehicle Security System
- Nissan Vehicle Immobilizer System
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS)

### **Models**

- 2015 Nissan 370Z Roadster is offered in three models: 370Z Roadster, 370Z Touring Roadster and 370Z Touring Sport Roadster

- One available package: Spare Tire (full size)
