

2026 Nissan Z

Latest Z Heritage Edition pays tribute to the Z32

WHAT'S NEW

- Heritage Edition pays homage to the fourth-generation Z sports car, the 300ZX "Z32", with retro-inspired visual touches.
- Z Sport and Performance grades add available two-tone Boulder Gray paint color paired with a black roof.

NEED TO KNOW

The 2026 Nissan Z is available in Sport, Performance and NISMO grades.

PERFORMANCE

Twin-turbo engine thrills with 400 horsepower and 350 lb-ft of torque, channeled through six-speed manual or nine-speed automatic transmission.

Performance-enhancing tech includes Z thrills with SynchroRev Match (Performance grade, manual), mechanical Limited Slip Differential (Performance and NISMO grades) and Launch Control (standard with automatic transmission).

NISMO delivers track-ready exhilaration with 420 horsepower and 384 lb-ft of torque, NISMO-tuned suspension, unique stabilizer bars, a stiffer spring rate, retuned dampers, wider rear wheels, and Dunlop® SP SPORT MAXX GT600 tires.

DESIGN

Iconic sports car silhouette includes numerous references to the historic Z models, including long hood with "Z bulge," Z32-inspired rear and signature lighting referencing the 240ZG's headlights.

Performance-focused interior elements include three gauges atop the dashboard, GT-R-inspired steering wheel, aluminum pedals, door trim suede and Recaro seats (NISMO only).

[Type here]

Striking, functional NISMO design elements include restyled grille with thinner honeycomb mesh; taller, wider three-piece rear spoiler; canards at the car's front corners; NISMO red accents; and exclusive Stealth Gray paint.

TECH

Driver-focused cockpit features 12.3-inch meter offering three modes to suit the driver's mood and preference: Normal, Enhanced and Sport.

Stay connected with standard Apple CarPlay®, Android Auto™ and two USB ports.

Available connectivity features include 8-speaker Bose® Audio System, 9-inch touchscreen with navigation, NissanConnect® Services with Wi-Fi hotspot.

SAFETY AND DRIVER ASSISTANCE

Enhanced confidence with standard driver assistance and safety technology including Automatic Emergency Braking with Pedestrian Detection, Blind Spot Warning, Lane Departure Warning, Intelligent Forward Collision Warning and Rear Cross Traffic Alert.

Standard Intelligent Cruise Control makes highway road trips more convenient.
